

A HOMEWORK PROJECT FOR STUDENTS AND THEIR FAMILIES

GoStay™ Accommodation Guide.

Website Resources

www.GoStay.com.au

Imagine that you and your family have won a trip around Australia! Plan your itinerary by following the guidelines set out below. You will need to use the **GoStay™ Accommodation Guide** and its companion website www.GoStay.com.au to help you plan your trip. As a family, choose the accommodation, places and features that you would like to experience. Enjoy!

- Begin your holiday in Cairns, Queensland. You may choose a 4-star hotel where you will stay for 3 nights. List the activities you would like to do during your stay.
- Turn to p. 213 of the **GoStay™ Accommodation Guide**. Calculate the time that it would take you to travel from Cairns to Townsville by coach or hire car. Select a 3-star motel for your stay at Townsville.
- After Townsville you travel to Hamilton Island which is in the Whitsunday group of islands. Visit the www.GoStay.com.au website, locate Hamilton Island and choose your accommodation. List the rooms that you have chosen and the cost of your accommodation.
- Next, fly to the Sunshine Coast and visit the Australian Zoo. Choose an apartment in Caloundra for a 2-night stay.
- Fly to Sydney then catch a train to the Blue Mountains. Select a bed-and-breakfast establishment and relax for 3 nights. Use p. 41 in the **GoStay™ Accommodation Guide** to plan what you will do during your stay.
- Make your way back to Sydney airport and fly to Melbourne. If you are visiting early in the year, include a day at the Australian Open tennis (find out when this tournament is on by turning to p. 410 of the **GoStay™ Accommodation Guide**). You may stay in a 5-star hotel for your 3-night stay in Melbourne.
- From Melbourne, make your way to the Red Centre. Use p. 198 to find the meanings of Uluru and Kata Tjuta.
- Your final holiday spot is Darwin. Select your preferred style of accommodation.
- Keep a record of your itinerary in case one day you have the good fortune to travel around the great nation of Australia!
