SCHOOLS TREE DAY
FRIDAY JULY 31 2009

Hands on,
fun and
effective
learning

Schools Tree Day provides students with practical, hands-on learning and makes a tremendous contribution to Australia's natural environment. Since 2003 more than a million students have taken part in native tree planting activities within their school grounds and local neighbourhoods.

Call our hotline (1300 88 5000) now to register and receive your FREE education kit which provides lesson plans linking to:

HSIE, Science, Civics & Citizenship, SOSE

For more information on how to get growing for 2009, call the Tree Day Hotline on 1300 88 5000 or visit treeday.planetark.org
