Description	Logo & Weblink
<p><u>Sebel Furniture Pty Ltd</u></p> <p>Sebel's classroom furniture is compliant with Australian standards and features excellent ergonomics and design quality. Schools demand high quality furniture that withstands the rigours of a modern classroom environment and with these criteria in mind, Sebel has no peer.</p> <p>From world leading chairs and tables to complete science laboratory fit-outs, Sebel can plan, supply, install and offer professional advice to ensure a hassle free solution. Indeed, Sebel has taken school interior fit-out to the next level with 3D computer modelling of major projects that allows a complete evaluation of a proposal.</p> <p>No one knows the school furniture market better than Sebel Furniture.</p> <p>www.sebel.com.au</p>	
<p><u>R.I.C Publications</u></p> <p>R.I.C Publications is an educational publisher specialising in blackline master or copymasters and student workbooks for schools and homeschoolers. R.I.C. has over 900 blackline master titles in print representing all areas of the curriculum. Student works books or activity books, cover a range of learning areas including, maths, spelling and social studies. A student workbook is a consumable product that is used by individual students. The books are purchased in class numbers usually on an annual basis. R.I.C also has a wide range of high quality educational posters covering many areas of the curriculum. These posters are regarded highly by teachers all over the world.</p> <p>www.ricgroup.com.au</p>	
<p><u>Empowered Learning</u> <i>Leaders in educational technology</i></p> <p>Empowered Learning is a teacher-based company who have identified that professional development is paramount in helping schools successfully move into an interactive learning environment. With staff offering a wealth of educational experience from NSW Department of Education, Education Queensland, Catholic Education and Independent Schooling, their professional development is practical, relevant and structured to allow schools to achieve the most from their investment in technology and more specifically interactive whiteboards. Empowered Learning is also a Promethean Premium Partner.</p> <p>www.empoweredlearning.com.au</p>
