

Track the Bag. I can make a difference at my house.

Name: _____

Class: _____

Keep track of the plastic bags in your home and use this chart to show how many you and your family use each week. Suggest ways to use fewer plastic bags. Watch the numbers on your chart drop as you do your part to recycle and help keep our planet safe!

Starting tasks.

Count how many plastic bags are in your house: _____

Count how many shopping bags (non-plastic) are in your house: _____

Now fill in the boxes below.

Week beginning:								
When out shopping or on other errands	Mon	Tues	Wed	Thur	Fri	Sat	Sun	Total for this week.
Nos of plastic bags taken home with the shopping?								
Nos of plastic bags reused for shopping?								
Nos of plastic bags returned to a collection recycling point?								
Nos of non-plastic bags used for shopping?								
	Grand Total last week				Grand Total this week			

Create a 'doing the right thing' message/label to paste on this bag?

My message/label would read:
