

"My students made a staggering leap in their reading ability!"

*Kyran Smith, Deputy Principal, Literacy Leader,
Miramar South School*

CSI Comprehension Strategies Instruction is an innovative, new literacy resource for years 4 - 9 featuring:

- * Comprehension, vocabulary and fluency teaching
- * Shared reading through interactive, digital texts
- * Cooperative activity books, audio and graphic organisers
- * Real enquiry learning for students
- * 80 texts in each level (40 in print 40 electronic)
- * Designed for interactive and/or standard whiteboards with data projectors, also overhead projectors
- * Will benefit ESOL students, strugglers, capable decoders needing comprehension boosting, and able readers.

CSI supports teachers as they engage and fascinate students using a wide variety of short interactive texts across English (fiction & non-fiction), science, maths and social studies – with a global slant. Students quickly develop the skills, confidence and experience they need to comprehend a diverse range of interesting, relevant and authentic subjects.
