

STEPPING stones

TM

Helping you bridge
the gap to the new
curriculum

Addresses the content and
proficiency strands of the
Australian Curriculum: Mathematics

Raises expectations for student
achievement from the first year
of school

Enriches your interaction with
students, technology and
mathematics

Gives you differentiated
instruction for each lesson and
across years

Stepping Stones is the next-generation core mathematics program for you
and your students – just when you need it most.

To learn more about this new program, visit www.origoeducation.com
– or contact us on **1300 674 461** to arrange a demonstration for your school.
